i) the appointment of a separate set of
staff to each reserve godown in Mysore
city as per boni scale sanctioned for

2) The D.F.S. reports
that as Mysore city is an important
railhead, stocks of food grains
and sugar intended for the district
and other areas have often to be
received by the city central depot,
stocked and moved to other places
according to programmes that may
be issued from time to time. The

Re: app^t of extra staff
for godowns in Mysore city.

1) The question of appointment
of extra watchmen for the godowns
in Mysore city has already been
considered and the D.F.S. informed
that there is no need for such
appointments (Vide this office letter
no. FD 9231/A 13-45-17 dt 18-6-46). If
approved the D.F.S. will be requested
to obtain and forward the
remarks of the Auditor and
Accounting Officer re: the proposal.

11. Watchmen have already been appointed
in anticipation of sanction and it has been
reported that there are only 4 measurers and 2
peons for 14 godowns with the result that they
cannot be made to sleep by turns in the
godowns. In view of these circumstances, it is
for consideration whether the matter may
be reconsidered and sanction of Govt accorded
to the appointments of 11 watchmen on a pay of
Rs 11 per month from 18-2-46, with financial
concurrence.

5) As regards the proposal of the D.F.S.
that the basic scale of staff sanctioned for
each Reserve Godown in Bangalore City may be
sanctioned for the Reserve ~~Godowns~~ ^{Godown} of Mysore City also,
the D.F.S. may be asked to furnish the opinion
also of the Auditor and Accounting Officer.

While I still consider it would be desirable to have a separate establishment for each Depot, I am agreeable to modify my original proposals, in view of the Auditor and Accounting Officer's remarks. I therefore request that instead of 7 Revenue Inspectors, 7 Clerks and 28 Measurers originally proposed by me, Government may sanction 5 Revenue Inspectors, 5 Clerks and 14 Measurers - cum-Watchmen. The 14 Reserve godowns in Mysore will be grouped into 5, and each set of 3 Depots will have one set of staff, comprising of 1 Revenue Inspector 1 Bill Clerk, 3 Measurers and 3 Watchmen. These go-downs are purely for holding excess stock. Each Mohalla has got a separate emergency depot for supply to the retail depots and there is the Government Central Depot under the control of the Deputy Commissioner for supply of articles like rice; ragi, etc., to the Central Ration Depot^{as} and when required. Therefore I do not think there will be much work in these storage depots. 4 Revenue Inspectors, 4 Bill Clerks and 14 measurers-cum-watchmen on the scales proposed by the Director may be sanctioned for a period of one year in the first instance. The appointment of 14 watchmen on Rs. 11, made in anticipation of sanction of Government from 18-2-1946 may, however, be approved, these watchmen being terminated on the appointment of measurers-cum-watchmen.

(Continuation sheet draft form.)

In July, 1946, the Director of Food Supplies reported that rationed articles intended for the Mysore district and other areas, have often to be stored in the "City Central Depot" Mysore City and its 14 Godowns from where the consignments would be sent to other places according to the movement programme. As the sanctioned staff of the City Central Depot could not attend to the inspection and accounts relating to such stocks in each one of the other 14 godowns, the Director recommended that a separate set of staff may be sanctioned for each reserve godown in Mysore City as per the following basic scale, laid down in G.O.No.SD.1059-60/A.241-43-2 dated 11/14-8-1944, for the godowns in Bangalore City:--

Staff for every two storage depots.--

+ Rs.10/- C.A.
- 1 Bill Clerk - Rs.30/-
- 4 ~~Measurers~~ Measurers - Rs.15/- each p.m.
(at two for each depot or godown)

The Director who was requested to obtain the views of the Auditor and Accounting Officer of the Food Department re: his proposals submitted revised proposals according to which the 14 godowns in Mysore City are proposed to be constituted into five groups, four with three depots each and the fifth with two depots, and each group ^{to} ~~will~~ have one set of staff comprising ⁹ one Revenue Inspector, one Bill clerk, three measurers and 3 watchmen. Though he considers it desirable to have a

a separate establishment for each depot as previously proposed by him he now states that it would be enough if the following revised proposals were sanctioned:--

5 Bill Clerks - Rs.30/- Each.p.m.
14 Measurers-cum-watchmen - Rs.15/- -"-

(ii) appointment of 14 watchmen(at one for each godown) from 12-2-46 on Rs.11/- each p.m. plus dearness allowance, made by him in anticipation of sanction. The services of these watchmen will be terminated on the appointment of the extra staff proposed at (i) above.

The Financial Secretary who examined the above proposals considers that there will not be much work in the storage depots and that four Revenue Inspectors, 4 Bill Clerks and 14 measurers-cum-watchmen on the scales proposed by the Director may be sanctioned for a period of one year in the first instance. He adds that the appointment of 14 watchmen on Rs.11/- each p.m. made by the Director in anticipation of sanction from 12-2-1946 may be approved, the services of the watchmen being terminated on the appointment of measurers-cum-watchmen.

The proposals of the D.F.S., which, as modified by the Financial Secretary, cost Rs.570/- p.m. or Rs.6,840/- per annum on account of appointment of extra staff, besides - Rs.1,848/- on account of watchmen, and which have been approved by the Dewan, are ordered to be disposed of by circulation.

In July, 1946, the Director of Food Supplies reported that rationed articles intended for the Mysore district and other areas, have often to be stored in the "City Central Depot" - Mysore City and its 14 Godowns from where the consignments would be sent to other places according to the movement programme. As the sanctioned staff of the City Central Depot could not attend to the inspection and accounts relating to such stocks in each one of the other 14 godowns, the Director recommended that a separate set of staff may be sanctioned for each reserve godown in Mysore City as per the following basic scale, laid down in G.O. No. SD. 1059-60/A. 241-43-2 dated 11/14-2-1944, for the godowns in Bangalore City:--

Staff for every two storage depots or godowns.

- 1 Special Revenue Inspector on Rs. 50/- + Rs. 10/- C.A.
- 1 Bill Clerk -- Rs. 30/-
- 4 Measurers -- Rs. 15/- each p.m. (at two for each depot or godown).

The Director who was requested to obtain the views of the Auditor and Accounting Officer of the Food Department re: his proposals submitted revised proposals according to which the 14 godowns in Mysore City are proposed to be constituted into five groups, four with three depots each and the fifth with two depots and each group to have one set of staff comprising of one Revenue Inspector, one Bill Clerk, three measurers and 3 watchmen. Though he considers it desirable to have a separate establishment for each depot as previously proposed by him he now states that it would be enough if the following revised proposals were sanctioned

(i) appointment of the following extra staff:--

- 5 Revenue Inspectors on Rs. 50/- + Rs. 10/- C.A. each.
- 5 Bill Clerks - Rs. 30/- each p.m.
- 14 Measurers-cum-watchmen - Rs. 15/- each p.m.

(ii) appointment of 14 watchmen (at one for each godown) from 1-2-46 on Rs. 11/- each p.m. plus dearness allowance, made by him in anticipation of sanction. The services of these watchmen will be terminated on the appointment of the extra staff proposed at (i) above.

The Financial Secretary who examined the above proposals considers that there will not be much work in the storage depot

TO

Charles E. Koronha, Esq., M.A.,

Bangalore.

SIR,

Subject:- Appointment of watchmen for godowns
in Mysore City.

with reference to your letter No. SD.9231-A.13-45-17 dated 10th June 1946, on the above subject, I have the honour to state that the "City Central Depot", Mysore, has stocks of rationed food grains and sugar allotted to Mysore in 14 different buildings and this number may have to be increased or decreased according to the stock position at any given time. As Mysore City is an important rail head, stocks intended for the District and other areas have often to be received by the City Central Depot, stocked and moved to other places according to programmes that may be issued from time to time. In the circumstances the godowns engaged by the "City Central Depot" require everyday inspection and maintenance of a separate set of accounts for each godown which cannot be attended to by one set of staff now sanctioned for the "City Central Depot". I therefore recommend that in addition to the existing staff a separate set of staff to each Reserve godown may be sanctioned as per basic scale sanctioned for godowns in Bangalore City as per Government order No. SD.1059-60/A.241-43-2 dated 11th August 1944.

2. Pending the sanction of Government for appointment of staff as per basic scale as recommended above, I request kind sanction of Government to the appointment of 11 watchmen, made in anticipation of sanction, as already reported in this office letter No. SD.3.C.704-43-46 dated 25/2/46. The suggestion made in your letter under advertisement No. 1000/45-46 that it would be enough if one of the peons or measurers is made to sleep in the godowns during nights by turns is not possible as there are only 4 measurers and two peons for 14 godowns. In the circumstances, I request sanction for the appointments made in this behalf. The services of these watchmen will be terminated on appointment of staff to each godown as per basic scale proposed above, on receipt of the necessary sanction.

I have the honour to be,

S i r,

Your most obedient servant,
